Project Title	Speak Albanian or Kosovar Albanian with Diplomats
Project Summary	Speak Albanian or Kosovar Albanian with a diplomat! Our Foreign Service Officers in training at FSI are looking for native speakers of Albanian and Kosovar Albanian to practice their language skills and help prepare diplomats for their mission overseas.
Country	United States
Country/Region of Focus	Albania

Project Description

The Foreign Service Institute (FSI) trains diplomats in over 70 languages. The more practice they get speaking their target language, the more prepared they will be for their language exam, and most importantly, to do their job at post. We are looking for native Albanian or Kosovar Albanian speakers to converse with our Foreign Service Officers in an informal setting, either by phone or video chats. Conversations may start out very basic, on every day topics, and will become more sophisticated as the Diplomats advance in their training. By speaking Albanian or Kosovar Albanian with our Diplomats, you will have a unique opportunity to help them improve their language competence, as well as to discuss Albanian or Kosovar history, politics and culture with a future representative of the United States to Albania or Kosovo.
